Dear

I wish you and your family a happy holiday season!
Despite the festive season being a joyous time for most,
women, children and men who are seeking asylum in our
community are struggling heavily during this time.

We hope that during this time of giving and charity, these
communities remain in your thoughts. This week alone,
Jesuit Refugee Service Australia has had to help feed over
900 people due to food insecurity.

I would love to arrange to meet in 2021 to discuss how we
can make sure no one in our community has been left
behind during COVID-19.
