

**May this
season
spark love
and
kindness in
all our
hearts.**

Artwork by Rabia, a 17 year old artist with lived experience of forced displacement.

Dear

We hope that this holiday period gives you a time to reflect, spend time with loved ones and recharge after this trying year.

Please remember to keep women, children and men seeking asylum in your thoughts and prayers during this time as they have been struggling to get by. This week alone, Jesuit Refugee Service Australia has had to help feed over 900 women, children and men due to food insecurity.

I look forward to continuing to work with you to support our most vulnerable, such as those struggling with basics like food, in 2021.
