

JESUIT REFUGEE SERVICE GIFT VOUCHER DRIVE

JRS Australia is in urgent need of gift vouchers

Gift vouchers allow people seeking asylum to make dignified and practical choices about their own needs.

While the JRS Foodbank provides essential and culturally sensitive pantry items, supermarket vouchers allow families to supplement this support with **fresh meat, fruit and vegetables**.

Gift vouchers enable parents to purchase **school uniforms and shoes** for their children and cover **basic necessities** that we often take for granted, like new underwear.

JRS also supports people with Chemist vouchers, allowing them to purchase **necessary and essential medications** that they are otherwise unable to afford.

For people experiencing significant financial hardship, gift vouchers restore choice, autonomy, dignity and a sense of normality.

JRS accepts vouchers for all major supermarkets such as **Coles, Woolworths and Aldi**, as well as **Chemist Warehouse and Kmart**. Please be mindful to ensure that the voucher does not include alcohol retailers.

We accept vouchers in the following denominations:

◦ **\$25 • \$50 • \$75 • \$100**

We welcome both **physical** or **digital gift cards**. Digital gift cards can be purchased online, and emailed directly to JRS. Simply enter 'JRS' as the 'Name of Recipient' and schools@jrs.org.au as the 'Recipient's Email Address'.
